PR DALTON V. UBER TECHNOLOGIES, INC  
(NA)

V,

UBER Technologies Inc,  
Defendant's

42 USC 1983  
Violation of Civil Rights

Comes now, Jason Brian Dalton, in  
pro-se, I am suing Uber technologies  
For \$10,000,000.00 Million Dollars  
in Punitive Damages.

I worked years as a Uber contractor and  
they ripped me off, never paid me back  
wages or overtime. I busted my butt  
for them. They gave me NO Christmas Bonus,  
I wasn't invited to Any corporate parties,  
they made me work when I was sick and  
didn't let me spend time with my 2  
children. Uber treats their drivers like crap.  
I had to pay my own gas and I hit lots of  
potholes and Uber would not fix my  
Chevy Equinox and Uber would call my  
phone late at night and make me work  
or say I was Fired. This company is a  
hostile workplace environment I am tired  
of being treated by a 2nd class citizen  
by Uber. Uber discriminates Against  
my mental health

I am currently in prison because of uber.  
uber doesnt care about its Drivers, we are  
Peasants and pawn pieces to ubers bottom  
line. Defendants manipulate all uber Drivers.  
My life is Ruined because of uber. My  
Wife is Divorcing me because of uber.  
I seek \$10 million Dollars in punitive  
damages and Emotional distress, I have  
Psychological Damage because of uber.

I pray this court will grant my  
42 USC 1983 For relief.

I seek a Jury trial

3/11/16

Respectfully  
Submitted
